

1.40pm

- Turn the oven up to 200°C Fan / 220°C Electric / Gas 7
- Take the **Pigs in Blankets** out of the oven if they look ready. If not (or you just like them a little crispier) leave them in with the **Carrots, Parsnips** and **Roast Potatoes**. But remember to keep an eye on them!
- If you're using **COOK Bread Sauce**, follow the instructions on the pack and microwave. It can then be kept warm in a pan, over a low heat – adding a splash of milk if needed.
- Carve the turkey and spoon half of the resting juices over the top to help keep it moist.

1.55pm

- Add as much of the remaining resting juices from the **Turkey** to the **Gravy** (depending on your preferred consistency) and make sure it's piping hot. Heat your dinner plates in the microwave.

2pm

- Dinner is served! If you prefer your veg a little crispier, you can leave for an extra 10 minutes – don't worry, everything will stay warm. **Enjoy your Christmas Dinner!**

*Your oven may have its own quirks, so these cooking times are a guide.  
Keep an eye on it and check everything's piping hot before serving.*

# THE DEFROST

(DON'T SKIP THIS BIT!)

22<sup>nd</sup> December

or

24<sup>th</sup> December

If you have room in the fridge, take your turkey out of the freezer; remove all the packaging, put it on a plate and cover loosely with clingfilm (i.e. 72 hours before you plan to cook). If your fridge is turned right down, this could affect the defrost time.

Alternatively, before you go to bed on Christmas Eve, remove your turkey from all its packaging, put it on a plate and cover loosely with clingfilm and leave it out in the kitchen (out of reach from any pets!).

## CHRISTMAS DAY

Below are the timings to have lunch ready by 2pm.

Total cooking time: 4 hrs 5 mins.

You will need: 3 large baking trays; 1 medium baking tray; 1 large saucepan; 1 large frying pan; vegetable or rapeseed oil for the potatoes; enough foil to cover the turkey twice (once while cooking, once resting) and the Pork & Apricot Stuffing.

Remember: a full oven affects cooking times, so the timings on this card aren't identical to those on the packaging of each of the dishes.
